Messrs, Brannes & Klein, boot and shoe makers, lost goods to the amount of \$50. A certain young man, on being awakened, and seeing the flames looming up around him immed for the loss of the lead till May 16th. From then until the 23d I worked it five days, with two bands results from the lead till May 16th. From then until the 23d I worked it five days, with two bands results from the lead till May 16th. From then until the 23d I worked it five days, with two bands results from the lexington ronte would, at most, amount to but a few thousand dollars.—

The District Court. time I have been prospecting for other parties at about \$200 per day. Have of action had accrued two years before the struck another lead on the opposite side of the valley, from which I washed \$14

the miners here now labor under many pear with the growth of their experience and the improvement of their now rude machinery, they at the same time enjoy

week, \$280; no further reported. They said to be five thousand people already have just put in a second sluice, which only began to run this morning.

Foote & Simmons, (from Chicago,) one have been passed by us on our rapid jour. nearly every pound of provisions and Defrees & Co., (from South Bend, Ind.,) supplies of every kind must be hauled by have run a sluice eight days, with the fol-lowing results: first day, \$66; second day, miles distant, over roads which are mere Have just sold half their claim, (a full to be utterly impassible by wagons. Part of this distance is a desert, yielding grass, ne, 59 feet by 100,) for \$2,500.

Shears & Co., (from Fort Calhoun, Ne- wood and water only at intervals of sev weeks, worked first hither under the delusion that gold may to unite with us in warning the whole

We see it stated that the Postmaste service between Jefferson City and Lex-
